# Capability Statement: CVG Solutions

## I. Company Overview

| Company Overview | |
|---|---|
| Company Name | CVG Solutions |
| UEI | GE5QYPNMRUD5 |
| CAGE Code | 9HDA7 |
| Address | 3010 FOREST COVE DR, HENRICO, VA 23228 |
| Website | https://cvgsolutions.net |
| Point of Contact | Austin Green, Founder/Owner |
| Phone / Email | (804) 929-4610, austingreen@cvgsolutions.net |

| Socio-Economic Status | |
|---|---|
| Small Business (SB) | **YES** |
| Service-Disabled Veteran-Owned SB (SDVOSB) | NO |
| Woman-Owned SB (WOSB) | NO |
| HUBZone SB | NO |
| Minority-Owned SB (SDB, 8(a)) | NO |

## II. Core Competencies

CVG Solutions delivers full-lifecycle, secure, and agile software development to modernize federal systems and enhance mission readiness.

- **Agile Software Development (DevSecOps):** Rapid, secure CI/CD pipelines for iterative software delivery.

- **System Modernization & Migration:** Legacy-to-cloud migration using microservices and containerization (Docker, Kubernetes) on AWS, Azure, and GCP.
- **Custom Application Development:** Web, mobile, and desktop apps for workflows, data management, and secure information sharing.
- **Data Engineering & Analytics:** Robust pipelines and advanced analytics for actionable intelligence.
- **UX/UI Design:** Human-Centered Design (HCD) creating intuitive, accessible (Section 508 compliant) interfaces.

# III. Differentiators

- **Technology Expertise:** Java/Spring, Python/Django, React/Angular, AWS/Azure cloud.
- **Agile/Scrum Mastery:** Proven MVP delivery across federal programs.
- **Security by Design:** NIST RMF-aligned security integrated from project inception.

# IV. NAICS Codes & Government Classification

| NAICS Codes | | |
|---|---|---|
| **NAICS Code** | **Description** | **Key Areas of Focus** |
| 541511 | Custom Computer Programming Services (Primary) | Full-stack development, app security, cloud development |
| 541512 | Computer Systems Design Services | Enterprise architecture, system integration, solution planning |
| 541513 | Computer Facilities Management Services | DevSecOps pipeline management, cloud operations, system monitoring |
| 541519 | Other Computer Related Services | IT consulting, training, emerging technology R&D |

| **PSC Codes** | **Description** |
|---|---|
| D302 | Programming, Software Development |
| D310 | Cyber Security |
| D306 | System Analysis |
